

For Megan Harmer and Fran Brown, a long vacation to the British Isles is a dream come true, and a welcome break from teaching high school in Wyoming. While Fran spends her days sketching the majestic Welsh mountains, castles, and the picturesque sea, Megan explores the historical sites and landmarks that dot the countryside. The two women soon discover that there are other Americans staying at their hotel. Initially, Joe Marks and Richard Garrett come across as perfect gentlemen. But soon, it will become terrifyingly obvious to both Megan and Fran that appearances can be deceiving. Sian Ann Bessey follows her best-selling novel *Forgotten Notes* with a breathtaking story about an innocent vacation that becomes the adventure of a lifetime. Filled with international intrigue, action, espionage, faith, and prayer, *Cover of Darkness* is a page turning thriller that you will not be able to forget.
