

Little Bear learns that Christmas means more than getting gifts. Little Bear's Christmas list was so long that it covered two pieces of paper. "I'm not sure if Santa can manage all that," said Mommy Bear. "Yes he can," said Little Bear. "Or it won't be a happy Christmas." Little Bear is excited about Christmas, especially when he dreams of all the presents he is going to get. But when Christmas Day arrives and Little Bear discovers that not all the presents under the tree belong to him, Christmas seems much less exciting. How can Little Bear have a happy Christmas without lots of presents?
