

Six years. Two break-ups. One divorce. They should be over each other. Rafe Minelli knows better than to tell his wife no, particularly since they aren't married anymore. She can't hightail it out of town, though, not when they've finally broken through the post-divorce cold war status quo. Olivia Minelli needs to leave Pine Harbour. It's just too hard to see Rafe moving on without her - even if he says he doesn't want to. But when a new and exciting job falls into her lap, she needs to choose: protect her heart, or take the new job and risk getting emotionally entangled with her ex-husband. Again.
