

Canadian-born Oki Sato received his MA in Architecture from Waseda University in Tokyo in 2002 and established his design office, nendo, the same year. He prides himself on the ability to give form to a clients desires, those unspoken wishes, and making them realise that the result is what they truly wanted all along. This present, as he calls it, is offered to them in a white box a model of an interior. From shops and offices to cafes and installations, Satos mastery of miniature creation is collected in 500 pages of photos from 38 projects and designs, accompanied by detailed information about each. Although the books dimensions are small, within its thickness lies wonder.

The firm's name symbolises the ability to deliver surprises and delight, like a variety of stimuli that come tumbling out of a box, so we placed seven box- shaped. Hikidashi is a special project for the first Japanese edition of French fashion magazine Numero. It's a 30 x 40 x 7 cm white box, whose interior is to be freely. These indentation marks serve as a clue as to how the boxes open, and each case slides open in its unique way revealing the jewelry placed within. A case .

The office, for digital marketing agency Spicebox, contains seven rectangular meeting rooms designed by Nendo to look like wooden boxes.
