

In the days when doctors surgeries, pharmacies and Hospitals didnt exist. People relied on Witches knowledge of health and healing. Sally Morningstar traces the roots of this natural approach to healing and describes its potential as a powerful contemporary method of achieving wellness. This book explores: The variety of Wiccan healing tools; Ceremonies and rituals to achieve wholeness; How to tap into the healing power of the Sun, Moon, Stars and Earth; Connecting to the healing energies of Gods, Goddesses and other deities; Witchcraft cures for all kinds of physical, and psychological ailments; How to access the healing that comes from the animal, plant and mineral world.
